Hobbies

- Game and App Development** I enjoy developing games and apps, always looking for new ways to bring creative ideas to life.
- Working Out** Outside of coding, I'm passionate about fitness and hit the gym regularly to stay active.
- Sketching** I also love sketching insects and animals—it's a great way to relax and improve my attention to detail.

Employment History

- 2023 - To Date** **Teaching Assistant at Codefever.**
Assisted in delivering lessons in Java, Scratch, and Python, supporting students in mastering fundamental programming concepts.
Provided one-on-one guidance to help students overcome technical challenges, improving their coding skills and problem solving abilities.
- 2021 – To Date** **Store Employee at Action and Delhaize.**
Assisted customers with inquiries, improving communication and customer service skills.
Worked collaboratively with team members to ensure smooth daily operations, enhancing teamwork and organizational abilities.

Education
